PERSPECTIVAS DE ANÁLISE

interview, language, meeting

QUALIDADE DAS EVIDÊNCIAS

medium

Limitações das evidências

- Pronunciation cannot be assessed from a text transcript.

Voxa: A análise gerada por IA deve ser conferida na transcrição. Recomendações são orientações, não fatos da conversa.

Análise de entrevista

7.4

NOTA GERAL

EXPECTATIVA DIRECIONAL

Uncertain

The candidate showed ownership and measurable impact, but the role criteria were not supplied.

EVIDÊNCIA DA TRANSCRIÇÃO

Alex I owned the migration plan and reduced failed imports by thirty percent
Directional coaching estimate.

Evidências mais fortes

Clear ownership

The answer separates personal contribution from team output.

EVIDÊNCIA DA TRANSCRIÇÃO

Alex I owned the migration plan and reduced failed imports by thirty percent

Pontos de atenção

Trade-offs were not explained

The answer did not compare alternatives or downside.

MEDIUM

EVIDÊNCIA DA TRANSCRIÇÃO

Interviewer What did you choose not to do and why

Competências

Execution

Specific action and measurable result.

8.0/10

Add the decision trade-off.

EVIDÊNCIA DA TRANSCRIÇÃO

Alex I owned the migration plan and reduced failed imports by thirty percent

Análise pergunta a pergunta

1. Tell me about the migration you led.

7.0/10

Alex described ownership and impact, with limited decision context.

O QUE FUNCIONOU

- Specific responsibility
- Measurable result

COMO MELHORAR

- Explain alternatives
- Name the hardest constraint

EVIDÊNCIA DA TRANSCRIÇÃO

Alex I owned the migration plan and reduced failed imports by thirty percent

Estrutura de resposta melhor: Context, decision, trade-off, action, result and learning.

Plano de preparação

1. Decision trade-offs

Strong execution evidence, thin decision rationale.

- Prepare two alternatives for each story
- State the downside you accepted

Sucesso: Each answer names one rejected alternative.

Perguntas do candidato e para prática

- How will success be measured in the first ninety days?
- Which alternative did you reject, and what risk did you accept?: Tests decision clarity.

Análise da aula de idioma

OBJETIVO DA AULA

ALUNOS

Alex

Practice concise project updates and past-tense narratives.

EVIDÊNCIA DA TRANSCRIÇÃO

Morgan Today we are practicing concise project updates in the past tense

ALUNOS

B2

CEFR

Alex

GRAMMAR	VOCABULARY	FLUENCY	COHERENCE	INTERACTION	INTELLIGIBILITY
7.0	8.0	7.0	8.0	8.0	N/A

O que reforçar

Uses concrete delivery vocabulary accurately.

EVIDÊNCIA DA TRANSCRIÇÃO

Alex I owned the migration plan and reduced failed imports by thirty percent

Prioridades de evolução

Past-tense consistency

Switches from past to present inside the same project narrative.

The timeline becomes less precise.

EVIDÊNCIA DA TRANSCRIÇÃO

Alex Last year I lead the migration and now I fixed the import errors

Strong professional vocabulary. Focus the next lesson on stable chronology and compact answer structure.

Correções prioritárias

HIGH

Alex / grammar

~~Last year I lead the migration~~

Last year I led the migration

Use the irregular past form led for a completed event.

Progresso da aula

Acertos observados

- Quantified an outcome clearly.

Padrões recorrentes

- Past-tense switching

Autocorreções

- Repaired the verb form after prompting.

Oportunidades perdidas

- Add a causal connector before the result.

Plano da próxima aula

Stable project chronology

The learner switches tense inside completed narratives.

- Timeline retell with five milestones
- Rapid past-form correction drill

Sucesso: Maintain past tense across a two-minute project story.

EVIDÊNCIA DA TRANSCRIÇÃO

Alex Last year I lead the migration and now I fixed the import errors

Tarefa de casa

Record a two-minute project story

10 min

Use five past-tense verbs and two causal connectors.

Análise da reunião

BRIEFING DO GERENTE

The team selected a staged migration and assigned the validation pass.

O que mudou

- Full cutover was replaced by two controlled stages.

Precisa de decisão

- Approve the rollback threshold.

Precisa escalar

- Confirm vendor availability for Friday.
-

Decisões confirmadas

Run the migration in two stages.

Reduces the size of a rollback.

EVIDÊNCIA DA TRANSCRIÇÃO

Morgan We will split the migration into two stages

Pontos de ação explícitos

Review stage-one metrics.

Responsável: Morgan

Prazo: Friday

EVIDÊNCIA DA TRANSCRIÇÃO

Morgan I will review the stage-one metrics on Friday

Propostas em aberto

Use a five-percent rollback threshold.

ABERTO

Alex

EVIDÊNCIA DA TRANSCRIÇÃO

Alex I propose a five-percent rollback threshold

Riscos

- Vendor support may be unavailable during rollback. (explícito)

Bloqueios

- Rollback threshold is not approved.

Perguntas em aberto

- Who approves the rollback threshold?

Métricas

- Failed import reduction: 30%

Tópicos

Migration sequence

Two stages reduce blast radius.

RESOLVIDO

EVIDÊNCIA DA TRANSCRIÇÃO

Morgan We will split the migration into two stages

Próxima reunião recomendada

Approve the threshold and confirm vendor coverage.

Two execution dependencies remain open.

- Threshold decision
- Vendor escalation path
